All of the information *must be filled out completely* for the team to be accepted for membership in the Peninsula Darts Organization. Please read the following instructions carefully and completely:

1. Captains and Co-Captains should have web access and access to email for the purposes of reporting and receiving results, electronically. \*
2. While we suggest that your team consist of at least seven players, no less than four valid names and contact info will be accepted on any team rosters.
3. Pub phone numbers and addresses are not acceptable in-lieu of personal information.
4. Personal ranking and years playing in the PDO should be filled out as accurately and honestly as possible (note that for purposes of ranking, "A" is regarded as our highest skill level whereas "C" would be our most beginning-level players)
5. No team will be allowed to sign up unless this form is completely filled out and returned by the team captain or authorized representative with the appropriate team and player fees. Fees: \$12/player and \$25/team per season. **Do not mail this form without first checking with a board member.**
6. Sign-Up Sheets for the season shown above must be turned in at the designated sign-up time and location as set by the PDO Board of Directors ([board@pdodarts.com](mailto:board@pdodarts.com))
7. Please note that captains/co-captains will be required to electronically report results to the league secretary shortly following each match. Failure to do so in a timely manner will/may ultimately result in penalties in the team's overall league standings.
